

Aspen Outdoor Wood Firebox

Aspen Outdoor Wood Firebox

The 60" Wood Firebox is a powerhouse of design and performance, distinguished as the largest single-body wood-burning firebox in the world. With both traditional (60" x 38" viewing area) and linear (60" x 24") designs, we can accommodate your exact preferences and architectural styles, from classic to contemporary.

CUSTOMIZABLE FINISHES

What truly sets this unit apart is its versatility in finishing. You can achieve a unique look by finishing the firebox interior with one of our precast concrete liners or any commonly available firebrick. This flexibility allows for endless design possibilities to match any aesthetic.
