FEATURES

- UL tested and ULC listed for safety
- Advanced Crystal Fire Plus® Burner technology
- Prepared for use with liquid propane; includes natural gas conversion kit
- Sliding tank drawer with removable door conceals standard 20 lb. propane tank in base
- Automatic gas shutoff
- All essential components included in one SKU (fire media, burner cover, and ignition)

BENEFITS

- Supercast™ top is a glass fiber reinforced concrete (GFRC), providing exceptional strength and durability compared to traditional concrete
- Matching burner cover can convert fire pit into a table when not burning
- Powder-coated aluminum base offers durability, weather resistance, and an eye-catching, low-maintenance finish
- Adjustable feet for stability on uneven ground
