ZECL-30-3226

The Fire & Ice Series features a vibrant blue, purple, or golden yellow flame. Our innovative flame technology allows you to control the flame color by remote control. This line of contemporary style fireplaces comes in many popular sizes, ready to fit any space. The Fire & Ice Series features a contemporary white glass surround and comes standard with our unique Ice Media made up of large glass nuggets with clear and blue diamond shaped fire glass.

The ZECL-30-3226 also fits into our optional ZECL-30 Mantel.
